

Assembly & Care Guide

Margin Table & Floor Lamp

The Margin Table & Floor Lamp is carefully made, making every item unique. The shade is made of a natural material and differences in expression may occur, such as smaller marks and minor deviations.

SAFETY INSTRUCTIONS

Please read the instructions carefully and retain it for future reference. **New Works Aps** is not responsible for any faults or damages caused by not following the instructions correctly.

The lamp is only intended for indoor use, consult a professionally qualified electrician if any doubt. Follow the guidance **220-240V~ 50/60Hz -E27 LED Max. 12W or E27 Max 60 W**. The light bulb and lamp exterior may get hot after prolonged use.

Turn off the power (unplug from wall outlet) before replacing the bulb. Make sure the bulb has sufficient time to cool down. Do not subject the lamp to any shock as this may cause the lamp to brake.

Keep the product out of children's reach. Dispose the packaging and do not allow children to play with it. Do not modify the product in any way.

CLEANING

Turn off the electricity before cleaning the lamp. Wipe the Lamp exterior with a soft dry or moist cloth. Do not use any abrasive cleaning tools, and never use strong cleaning agents such as household glass cleaner, white spirit or turpentine

Assembly & Care Guide

Margin Table & Floor Lamp

Read the instruction carefully and do not connect the electricity until the lamp is fully assembled.
Warning all wires are connected - when unpacking the box, be careful not to pull wires, as this may result in a bad connection. Unpack and place all parts on a levelled and stable surface.

ASSEMBLY:

1. Place the lamp base **(A)** on a levelled surface.
2. Mount the large shade **(B)** make sure the open surface is facing upwards and the split lines are aligned.
3. Secure the shade with the washer **(C)**
4. Install the light bulbs - E27 LED Max. 12W or E27 60W (Bulb not included.)
5. Place the lid **(D)** on top of the lamp shade
6. Insert the tube **(E)** into the hole in the lid and tighten it.

Note: When moving the lamp make sure always to lift it by its base and never by the shade.
